Building material is active and lumber leads in aggressive strength. A feature in keeping with the advancing season is the higher range of farm produce. Eggs are higher and butter is advancing on larger consumption and reported manipulation by

cold-storage interests. The shortage of fuel still exasperates the iron trade, which sees the foreign flood of iron and steel growing steadily. 'ine July import is probably not far from 100,-000 tons. The use of large numbers of cars to carry soft coal to the anthracite regions aggravates the shortage of coke in the Pittsburg district. But the same complaints come from Chicago and St. Louis. Rails and structural material are still the prominent features. Western mills will, lowever, only accept rail orders for delivery in the last quarter of 1903. Pittsburg reports 10,000 to 15,000 tons of foreign bessemer pig iron coming in monthly to that district. German billets and foundry iron are also coming in in increasing supply. German rail makers are reported to have made large sales to Southwestern roads. Special to the Indianapolis Journal. MILWAUKEEE, Wis., Sept. 12 .- The Indianapolis leaders of the American Association swelled their percentage at the expense of the Brewers at Athletic Park this afternoon, taking two games by scores of 4 to 3 and 4 to 0. It was a cold, raw day, and barely 400 "fans" sat and shivered through the three hours and ten minutes of play, while the players capered around and flapped their arms to keep warm. It was so cold that it was almost ideal football weather, and overcoats and earmuffs and foot warmers were strictly

The first game was a pitchers' battle between Williams and Altrock, and it was not the fault of the local twirler that the home team lost. Williams had evidently requested an opportunity to even matters for the loss of his game on Wednesday. Not only did Williams pitch ball, but he played it all the time. When he was not pitching he was at the bat, and it was his start in the third inning that resulted in the visitors making their three runs. He also had one putout and seven assists, in show what he could do when pushed, he carried two of the tallies of his team around the bases-half the runs chalked up in their favor at the end of the game The deciding run, however, was the result of Speer's muff of Hallman's throw in of Hogriever's hit in the seventh inning. Killen never gave the locals a chance in the second game of the afternoon, and at the end of the eighth inning the contest was called by Umpire Haskell on account of darkness. In the second inning the locals came the nearest to scoring. Hallman led off with a single. Clingman then hit a hot liner in Killen's direction, which

the pitcher just managed to touch and send to Fox, who succeeded in pulling it in for an out, and then he shot the ball to first, where Hallman was doubled, as the sprinter right fielder of the locals never had an idea the ball could be tampered with in any such timely manner. Again in the fifth Hallman started a batting rally, or what should have been one, had the team been playing follow-your-leader, but after Clingman had repeated the trick played on Killen by Hallman, the other local men went out in one-two-three order. Kihm's fielding and batting was another feature of the shut-out contest. Scores: Milwaukee. Dungan, 1f...... 5 A. McBride, cf..... Schiebeck, 2..... Hallman, rf..... Clingman, s.....

Hoyt, on the Chicago Golf Club's links at Wheaton to-morrow. Chandler Egan in the third round, while never down to his rival, Stuart Stickney, of St. Louis, just managed to win, one up

That Walter Egan, with his record of two close matches won, was extremely fortunate in disposing of his clubmate, N. F. Moore, in the semifinals, was apparent to the critics who watched the sensational contest. This also was won by 1 up and on the home green. Walter Egan was runner-up last year in the national tourney at Atlantic City, while Chandler Egan has a total of 12 cups and 18 medals and various prizes won by his prowess. Chandler earned the gold medal for low qualifying score, leading the field by a dozen strokes. Each enjoys wide popularity. Both are leading members of the Harvard Golf League, and the largest gallery that ever witnessed the finals in a championship in the West is confidently expected to be on hand when they play their 36-hole match to-morrow.

Canadian Cricketers May Lose. PHILADELPHIA, Sept. 12.-At the end of the first day's play of the international cricket match between the United States and Canada, begun on the grounds of the Germantown Cricket Club to-day, the Canadians were in such a bad position that defeat appears certain for them to-morrow. The visitors won the toss, and, although the wicket was good, the attack of King and Clark proved irresistible and the side was retired for 49 runs. The Americans followed with 178 for the loss of only two wickets. Morris was top score with 73, and King batted well for 58.

MacGyle Disqualified. CHICAGO, Sept. 12 .- Foul riding on the part of Coburn, who rode MacGyle to victory in the third race, caused his mount to be disqualified and the race went to Scotch Plaid, the heavily-played favorite.
